## INTERIM PLACE

### **What We Do:**

#### ***Interim Place's Mission***

To provide shelter, support, counselling and advocacy to help abused women and their children break the cycle of violence. We are a women-centred, anti-racist, anti-oppressive, non-profit organization serving the diverse population of the Region of Peel.

#### ***Interim Place's Vision***

To create social change where women have economic, social and political justice, and all forms of violence are eliminated in the lives of all women and their communities.

### **Services Offered:**

Interim Place operates two emergency shelters and community support and outreach (THSP) services for women in the Region of Peel who have experienced violence. All services are free and confidential and are provided in all languages through a multi-lingual staff and the use of ASL and Language interpretation services. You can get help by calling our Shelters or the Community Support and Outreach (THSP) Program for support in the following areas:

- Crisis support and counseling services for women and children
- Safety planning
- Information and referral assistance in areas such as housing and income support
- Support and advocacy with various legal matters including: Family, Criminal, Landlord and Tenant, Criminal Injuries, Workers Compensation, Employment Insurance, Income Support, Housing Appeals and Immigration
- Support with employment, training and education
- Social, recreational and educational groups and programs for women and children

- Practical assistance and help with obtaining food, clothing, identification, healthcare and daycare

### **Upcoming Events:**
