

Profile of the Week

CLARKSON COMMUNITY AT PEACE

What We Do:

The Clarkson Community At Peace (CCAP) was created by neighbours for the neighbourhood, with a vision of making Clarkson a greater place to live. This neighbourhood group brings together numerous community partners including school council members from St. Helen's, Willow Glen, Hillside Middle, Clarkson Secondary School, Elmcrest and Ashgrove schools; Clarkson Recreation and Parks, Clarkson Library, Peel Public Health, the Peel District School Board Trustee, Brampton Multicultural Centre, Ward 2 City Councillor, the local MPP, Clarkson Senior Association and selected local businesses in the Clarkson area.

We believe there are five strong elements to a neighbourhood: Children, Families, Seniors, Schools and Community Partners. The closer the key elements work together, the closer the community becomes.

Services Offered:

Clarkson Community At Peace (CCAP) is working towards becoming a resource portal for our community that will support our Vision, Mission and Values:

Vision

Our vision is to create a culture in our community that supports peace; one that is safe; nurturing; welcoming and embraces its diversity.

Mission

Our Mission is to create a safe, peaceful environment in the community of Clarkson, through communication and interaction with families, schools, local organizations, associations and businesses.

Values

The Golden Rule "Do unto others as they would do unto you".

With a vision of greater coordination of resources and by sharing information and building understanding, we believe we can strengthen and create a greater sense of community within Clarkson.
