

COMMUNITY SAFETY SUPPORT SERVICES

MEETING THE NEEDS OF OUR COMMUNITY

Presented to Police Service Board – September 4, 2026

Community Safety & Well-Being Services Evolution

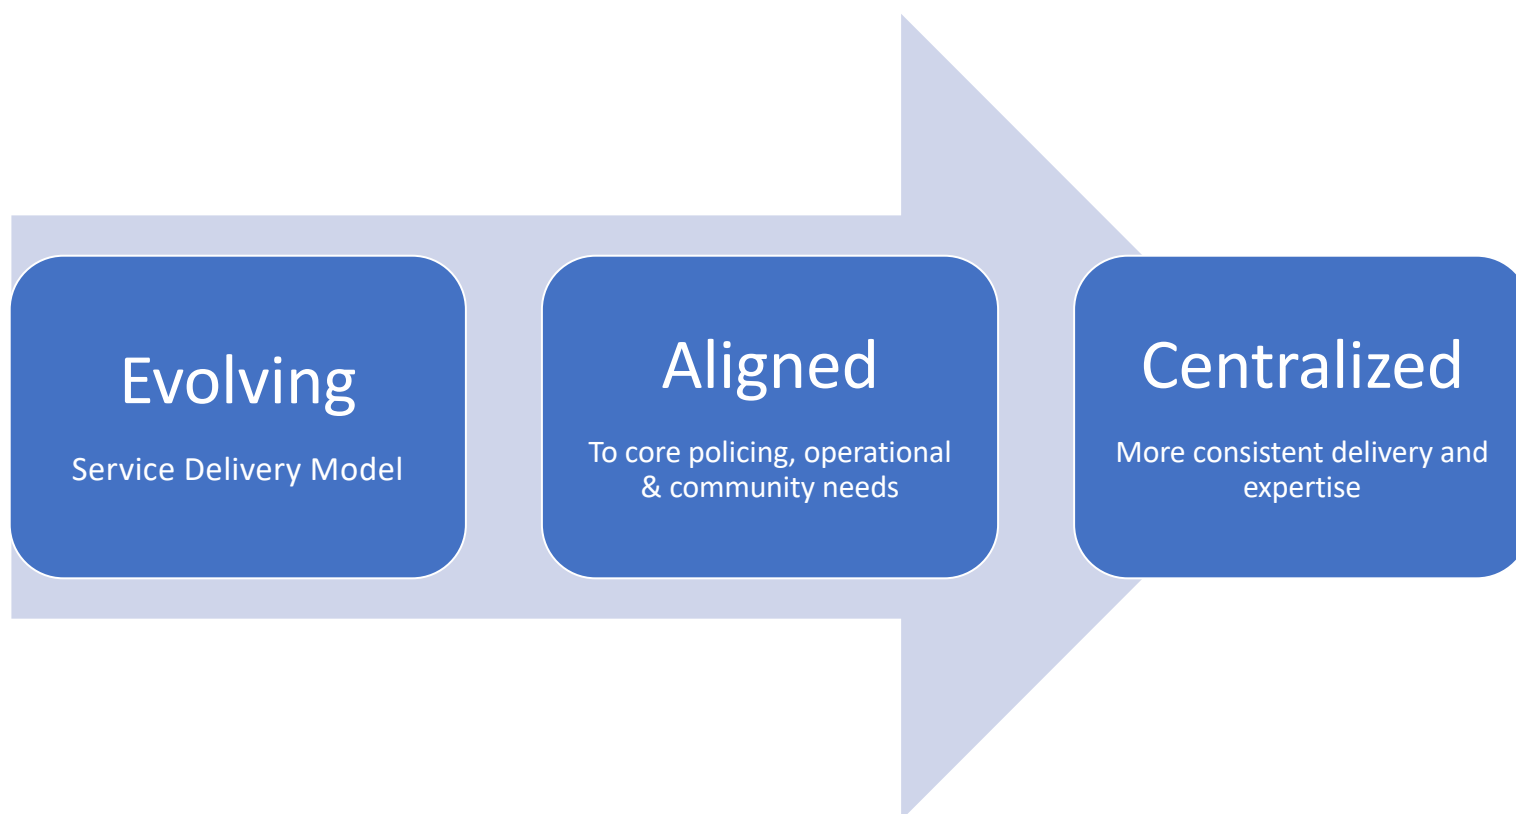

CSWB Services was established to support prevention efforts and strengthen community trust.

Since 2020, the operating environment has changed significantly, and community and policing demands continue to evolve.

As a result, a renewed model is needed to better meet current needs.

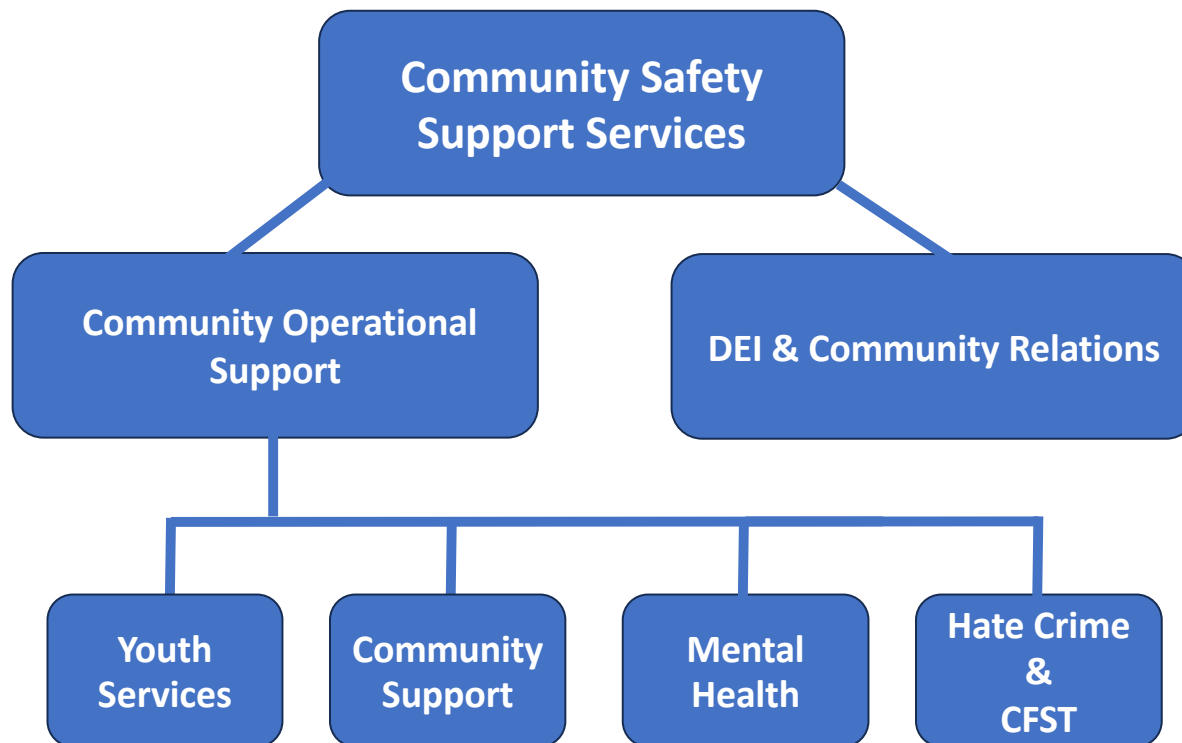

Strategic Direction

Restructure of CSWB Services

Community Safety Support Services

Community Safety and Support Services

Overview of Services & Functions

Community Operational Support

Specialized operational, investigative and partnership-based support to address complex community safety issues and emerging concerns.

- Youth Services
- Community Support Unit
- Community Hubs
- Mental Health
- Hate Crime & Cross Functional Support Team

Diversity, Equity, Inclusion and Community Relations

Strategically realigned to strengthen community relationships and engagement, positioning the team as a bridge between Peel Regional Police and Peel's diverse communities.

Better outcomes for our Members, Partners and Communities

- **More proactive policing** through prevention, intervention, and problem-solving approaches.
- **Stronger youth support** and engagement with expanded opportunities for early intervention, referrals, and positive community connections.
- **Greater police visibility** and accessibility through Community Hubs and enhanced community engagement.
- **Improved support** for vulnerable individuals through specialized mental health, addictions, and social service partnerships.
- **Enhanced collaboration** with community partners to address complex issues and improve public safety outcomes.
- **Stronger community relationships** and trust through meaningful engagement with Peel's diverse communities.
- **Better coordination** of specialized resources to respond to emerging community concerns and operational demands.

Thank You
