# Peel Children's Safety Village

“Tell me and I will forget;  
Show me and I may remember;  
Involve me and I will understand.”

# Peel Children's Safety Village

# Mission Statement

To reduce the alarming statistics of preventable injuries among children in the Region of Peel, by teaching safety in a practical, safe & educational setting.

Innovative community project that was launched in 1992 and opened its doors to our first class in September 1994.

Located on  
2 acres of leased  
land (40 years)  
by the City of  
Brampton

# Peel Children's Safety Village

Our Village features a main building with 3 classrooms, and an outdoor miniature village with 17 buildings, roadways, traffic lights and signs, an operational railway crossing, and an ambulance.
